Palisades Federal Credit Union Announces Upcoming Gas Giveaway Promotion

Pearl River, NY As our way of saying “Thank You” to our New City neighbors and our members for accepting the credit union into the community and making the New City branch a huge success, Palisades Federal Credit Union will be offering regular unleaded gasoline at a low \$1.99 per gallon on Saturday, October 3rd from 9am to 1pm. This special event will take place at the Shell gas station on the corner of South Main Street and Elinor Place, which is diagonally across from Palisades FCU’s New City branch located in the Cinema 6 shopping center.

No need to drive to New Jersey this Saturday, all patrons will receive \$1.99 per gallon of regular unleaded gasoline during this four hour window. The difference between the \$1.99 promotional low price and what the current gas price will be on Saturday is being paid compliments of Palisades Federal Credit Union. We are expecting a large turnout since Regular gas has not been this low in a while. The line of cars will form on the side street Elinor Place located to the left of the gas station.
