## **Palisades FCU Skip-A-Pay Program Issues Rebates to Members**

**Pearl River, NY** December, 2009 – Palisades Federal Credit Union proudly announces that members who took part in our summer Skip-A-Pay program received their rebate in time for the Holiday season. This program returned over \$14,000 to our Skip-A-Pay participants, and waived the fee commonly charged by banks. Payments were directly deposited into eligible member accounts.

Unlike other similar programs, eligible members with PFCU loans were allowed to skip up to *two consecutive months* of their loan payments this past summer. Members who participated were able to use their extra cash for something special during the summer season. “Throughout 2009, Palisades Federal Credit Union has strived to not only help our members, but in ways small and large allow them to enjoy unique programs such as this and help them realize the benefits of banking with a credit union” said Chief Operations Officer, Sean Jelen.
