CELEBRATING OUR TEAM

Employee Appreciation Outing

Our staff gathered at Dr. Davies Farm in Congers, NY, for our annual Employee Appreciation Outing. The day was full of good food, including breakfast, lunch, and refreshments, along with apple picking and hayrides. It was a chance to step away from the everyday and enjoy time together. We're proud of the care and dedication our team brings to our members and our community.

A FRESH NEW LOOK

New credit and debit card designs coming soon

With the launch of our new brand look earlier this year, we decided it was time to upgrade our credit card and debit card designs! Not only will the designs be updated, but our cards will feature contactless payment, which lets you pay for items by waving or tapping your card at checkout. Stay tuned for more details about when these cards will be on their way to you!

REVIEW ROUNDUP

Kind words from our members

5-star ratings we've received on Google

"I have been banking at the Nanuet location for many years. I have formed a bond with the staff at this location, especially with Elizabeth. It is nice to know that a business has a staff that are courteous, friendly, and knowledgeable of the products they offer. Elizabeth goes above and beyond to help me, and I know that we can both make each laugh."

- Linda, Nanuet branch

"I had an amazing experience with Enock with my auto loan/lease buyout. Very responsive within minutes always; took every phone call; covered all the details and explained how everything worked. Enock made it very easy for me. I highly recommend contacting Enock for any of your banking needs. Great experience!"

- Soll, New City branch
