ROOTED IN COMMUNITY

Helping Students Make Strong Financial Decisions

We've had the pleasure of connecting with some incredible young people in our community lately! We recently visited students in Pomona Middle School's LPP program, where our Director of Retail Banking, Al, walked them through financial basics and how to start building a strong foundation for their future.

We also stopped by the Nyack Center to speak with members of their afterschool program — a wonderful nonprofit that supports children, teens, and families through year-round programming.

A heartfelt thank you to Assistant Principal Dr. Jean for welcoming us to Pomona Middle School, and to Executive Director Kim Cross for inviting us to the Nyack Center. We look forward to continuing these conversations and empowering the next generation with the tools they need to thrive financially!

REVIEW ROUNDUP

Kind Words from our Members

5-star ratings we've received on Google

"I'm a current member [and] I was in the New City area today and I had to deposit some cash at the New City location and the experience was amazing. Very clean, the branch looks very nice, definitely will come here again if I'm in the area. Highly recommend; 5 stars."

- David B., New City branch

"I worked with Andre to get a Home Equity Loan. He was capable, polite, quick, efficient, and thorough. His communication during and even after the process was exceptionally good, and I cannot recommend Andre and Palisades Credit Union in Nanuet enough."
