LOCALLY GROWN

Career Day with Pomona Middle School!

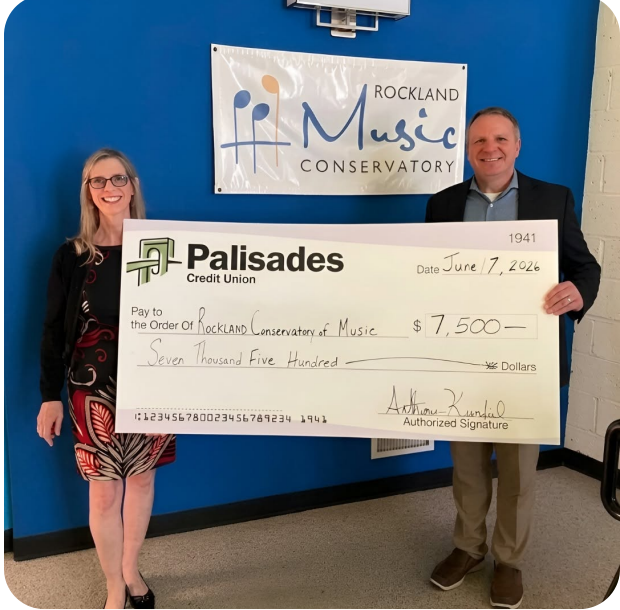

Our team members Ryan and Al had a great time speaking with students about the many career paths available at Palisades, and how the skills they're building in school today, like communication, teamwork, and problem-solving can help set them up for success long after graduation.

A special thank you to Pomona Middle School and Assistant Principal Dr. Jean for the warm welcome and for giving us the chance to connect with the next generation of professionals.

ROOTED IN COMMUNITY

Investing in Music, Investing in Community

Last month, our CEO Anthony presented a grant to the Rockland Conservatory of Music through FHLBNY's Small Business Recovery Grant Program. We're proud to support organizations that strengthen our community, and we thank the Rockland Conservatory for its continued commitment to inspiring students and families through music!
